

MS Dismissal Procedures

Middle School 3:20 Dismissal Procedure:

- All MS dismissal traffic will enter the secondary parking lot through the Lake Country Drive entrance and will exit at the light at Boat Club Road.
- Line up in one of the double lines facing the secondary building or back into one of the parking spaces along the “back stop third base side.”
- Please wait for your student to be escorted across the crosswalks by a teacher.
- During inclement weather, line up as usual. Remain in line and pull up to the curb AFTER your student exits the building. Because your child’s safety is our first concern, we will consider lightning inclement weather even without rain.

If you have a MS student(s) with a younger sibling(s) at LCCS the following teacher will escort your MS student to your youngest student’s dismissal location:

- Pre K – 2nd graders: Mrs. Wolfe
- 3rd thru 5th graders: Mrs. Tyler

MS Students that are reporting to the Byers Center after school for athletics or pick up will go with Mrs. Wolfe’s group.
