iEagles

The iPad is the 1:1 technology for teaching and learning for all sixth through twelfth grade students. This program demonstrates the school's ongoing commitment to:

- *Educate* students for 21st century learning
- *Equip* students to lead in technology
- *Encourage* students in innovative thinking

Every sixth through twelfth grade student is responsible for purchasing an iPad with the appropriate requirements to use in the classroom and at home each day.

Minimum iPad Requirements:
- iPad Air 2 (32G+ Wi-Fi) - NOT RECOMMENDED and will be below our minimum requirements for the 2019-20 school year
- iPad (latest model) (32G Wi-Fi)
- iPad Pro (9.7" or 12.9", any size, Wi-Fi)
- iPad mini 4 (128G Wi-Fi)

Technology Boot Camp

- **Who**: Required for all <u>new</u> students and returning students who purchased a new iPad over the summer. Parents do not need to attend.
- **When:** TBD (several opportunities over the summer)
- **Where:** High School Building
- **What:** Critical set-up of programs you will need when school starts. Technology personnel will be on hand to walk through all set up/changes in email, wifi, RenWeb, and eBackpack.
- **PLEASE BRING your charged iPads** - out of the box and setup (**including apple id**).
