▶▶ CLASS RANK

Lake Country Christian School provides a rigorous college prep educational environment with high expectations, small class sizes, and a 99% college-bound student population. As a result, a traditional ranking system provides an inaccurate comparison of LCCS graduates to students from larger schools. For this reason, LCCS does not rank, except for the top 10%.

ACTIVITIES AND ATHLETICS

Co-curricular activities include student government, Texas Youth and Government, National Honor Society, and academic and art competitions through the Association of Christian School International (ACSI), Texas Association of Private and Parochial Schools (TAPPS), as well as 4-H Club.

The Fine Arts Department faculty members are highly qualified in their fields. They produce a Broadway musical and a play each year. The band and choir win numerous awards annually. Individuals also win recognition, including All-State instrumentalists and vocalists.

LCCS has a complete varsity athletic program with competition through TAPPS. The purpose of athletics at **Lake Country Christian School** is to glorify the name of Jesus Christ through our words, attitudes, and actions both on and off the field while providing opportunities of Christian encouragement and fun for students through fellowship with other Christian athletes, cheerleaders, fans, and faculty. The desire is for every LCCS Eagle to be a model of excellence in character and athletics. The excellent coaching staff seeks to develop and encourage students, and to provide an environment in which all student athletes can realize their potential.
