

JUBILEE

2019

Lake Country Christian School
The Greatest School on Earth!

August 26, 2019

Dear Friend,

Our school, like your business, does not stand alone. We need people, interested in who we are and what we are trying to accomplish in the lives of each student, to invest with us. Lake Country Christian School is a premiere college-preparatory PreK-12 school with a mission to educate, equip and encourage Christian leaders to fulfill their God-given purpose and impact their culture.

Jubilee 2019, our signature fundraising event, will be on November 2nd. Held every other fall, Jubilee includes dinner as well as both silent and live auctions. Many have chosen Jubilee as an opportunity to celebrate the Lord's work at LCCS and you have the opportunity to be one of those valued supporters. We are committing this event to the Lord and asking Him for His perfect provision for our school and our children. Generous sponsorship donations from organizations like yours will help make this event the success and blessing it is intended to be.

Please consider supporting Jubilee as a sponsor or by donating goods or services to be auctioned at our event. The attached information outlines the levels of participation. We look forward to celebrating together soon!

Blessings,

Jubilee Committee 2019
