

2021-2022 LCCS HIGH SCHOOL SUPPLY LIST & REQUIRED APPS

Technology Requirements:

- Home access to WIFI, internet and printer
- iPad (any model 2018 or newer – iPads last approximately 3 years. If you purchase older models, please know they will have a shorter life.)
- New students: will need to purchase apps/ebooks/ibooks (see required apps below, less than \$25)
- Returning students: may need funds for the purchase of apps/ebooks/ibooks throughout the year
- New students in grades 7-12 must attend one of the offered Technology Boot Camps to set up their devices in the summer. Dates/times for these short come-and-go sessions will be on the school calendar, and in the newsletter.

All 9th- 12th Grade students need the following supplies:

- (2) 2 ½” or 3” binders per student, one for “A” day one for “B” day.
- (2) packages of dividers, one for each binder
- Graph paper for all Math and Science classes
- 1 pair of earbuds kept in backpack or locker
- Blue or black and red pens
- #2 Pencils (mechanical or regular)
- Graphing Calculator TI 84 or 84 Silver Edition ONLY - All students enrolled in mathematics or science courses MUST have one of these Texas Instruments graphing calculators. Please do NOT purchase higher models; students will not be permitted to use them because of advanced capabilities. Please bring any packaging materials that the calculator came in- they can be turned back into Texas Instruments for teacher training credits.
- Most AP courses will also require an AP review book or material (\$15-20). The exact book title and ISBN will be distributed once course schedules are set.

Supplies to be purchased for individual classes:
